#### **Support SSSF Teams in Arizona**

The Scholastic Shooting Sports Foundation introduces school-age youth to the shooting sports and provide opportunities to participate and compete in a high-quality, team-based sport. Student athletes are coached by trained adults who are focused on enhancing the personal growth and development of their team members.

**Currently, there are five action shooting teams and 23 shotgun teams in Arizona with over 800 student participants. Your support helps to ensure these programs continued tradition of excellence in youth development.**
